New song: Godless thrones

song music Israel Zionism

Godless thrones, on YouTube:

They say "In God we trust"

But their God is gold

They say "Never Again"

But now it's again, and again

This time with a Star

Instead of a Swastika

Zion's not the Torah's path

It's conquest wrapped in holy wrath

Not a prayer, not a flame

Just a power game with a sacred name

Church sat silent, throne stood tall

Watched the bombs and praised it all

They loved the kings who owned the chains

Now they bless apartheid planes

Not in God's name, no cross or star

Can cleanse the blood they've spilled so far

Zionists don't kneel, they deal in death

Stealing land with every breath

They hated blacks, now Arabs cry

Semite truth they still deny

Ashk-e Nazis in disguise

Killing kids, then selling lies

You preach "democracy," drop white bombs

Call it defense, but erase their moms

Palestine bleeds while they count cash

Churchmen kneel with royal swords

Bless the theft in holy boards

A billion prayers while babies die

And truth gets banned if we ask why

They say "antisemite" when we expose

The fascist state that kills in rows

But Semites are the ones they cage

Real Arabs, real roots

Erased in rage

Not in my name!

Not in His light!

Zionist power is fascist might!

You sold your soul for flags and drones

God don't live in your thrones!

Zion's not faith — it's theft and hate

A Nazi mask behind a gate

Stars of David on the bombs

Scream of "peace" in genocide psalms

Church and empire paved the way

Now Gaza burns while they still pray

Real Semites cry!

Fake ones lie!

Zionists kill while angels die!

You used God's name to conquer land

But God don't hide in blood-soaked sand

But from lies, and from erased face

Remember

Remember, **Zionism is NOT Judaism**. Zionism is NOT a religion; it's a hate-based extreme political ideology that sees itself above Palestinians, Arabs, Muslims, Lebanese, Syrians, Iraqis, and Iranians. It's a supranational cult that uses religious symbols and narratives to justify the oppression of Palestinians and the expansion of Israeli territory.

Free, Free, Palestine! 🇵🇸
