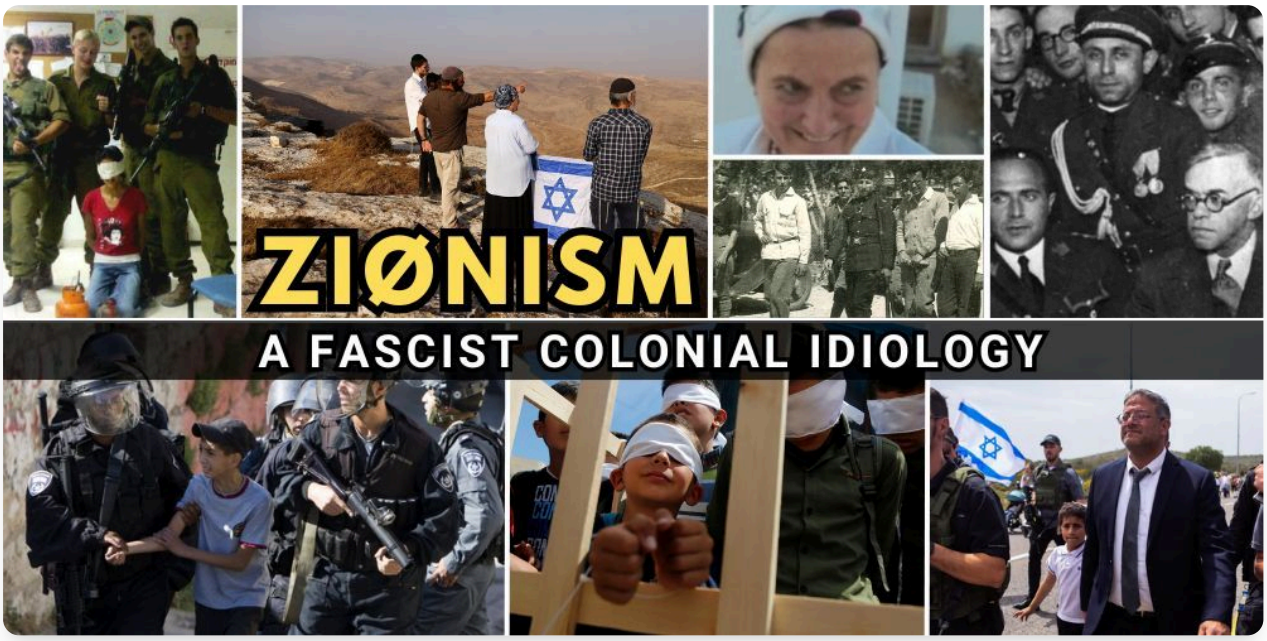
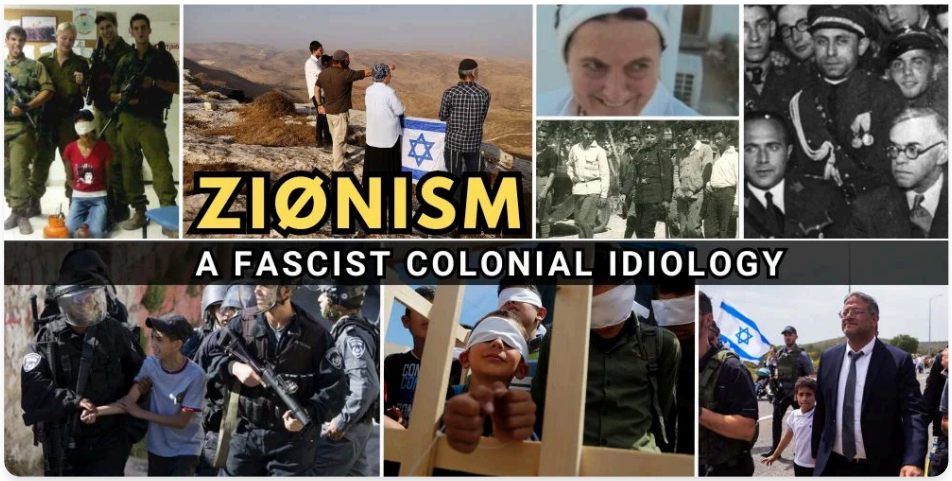
The supremacist core behind the mask of "Jewish liberation" 🤥



Israel Zionism Fascism Palestine

Published: May 9, 2025



The Zionist movement, often portrayed as a liberation project for Jews, is in reality a fascist, settler-colonial enterprise built on ethnic cleansing, apartheid, and racial supremacy. While it claims to act in the name of Jewish safety, its true goal has always been the establishment of a Jewish-dominated state at the expense of indigenous Palestinians—a project that mirrors the worst crimes of European colonialism and 20th-century fascism.

This article will expose the fascist nature of Zionism by examining:

3. Its apartheid policies and genocidal violence
4. How it weaponizes Jewish identity to silence dissent

Zionism's supremacist foundations: A racist, colonial project

Zionism was never a universal liberation movement for Jews—it was a European nationalist ideology that sought to create an ethnically exclusive state through the dispossession of Palestinians. Key figures in early Zionism openly admitted this:

- Theodor Herzl, the founder of political Zionism, wrote in his diaries that the indigenous population of Palestine should be "spirited across the border" and their land seized. (The Complete Diaries of Theodor Herzl, 1960).
- Vladimir Jabotinsky, the ideological father of Likud, stated in The Iron Wall (1923) that Zionism must proceed "behind an iron wall" of military force because Palestinians would never willingly accept their own displacement.
- David Ben-Gurion, Israel's first prime minister, admitted in 1937: "We must expel the Arabs and take their places." (Ben-Gurion's diaries, Expulsion of the Palestinians, Nur Masalha).

This is not self-defense—it is a settler-colonial blueprint for ethnic replacement, no different from the ideologies that drove European expansion into Africa and the Americas.

Zionism's collaboration with Fascism and Nazism

While Zionism today presents itself as the answer to antisemitism, history reveals its leaders were willing to collaborate with fascists—even the Nazis—when it served their colonial goals:

- **The Haavara Agreement (1933):** Zionist leaders worked with the Third Reich to transfer German Jewish wealth to Palestine in exchange for breaking the Jewish-led anti-Nazi boycott. This deal helped Nazis bypass sanctions while furthering Zionist colonization. (The Transfer Agreement, Edwin Black).
- **Lehi (Stern Gang) Fascist Alliances:** Zionist terrorist groups like Lehi sought alliances with Mussolini and Hitler, offering to fight for the Axis in exchange for a Jewish state. Lehi leader Avraham Stern even proposed a "New Order" in Europe based on "common interests" with the Nazis. (Israel's Sacred Terrorism, Livia Rokach).
- **Post-WWII Recruitment of Nazi War Criminals:** Israel and Zionist groups shielded Nazi collaborators like Alois Brunner (Eichmann's deputy) and SS officer Otto Skorzeny, using their expertise for intelligence and repression. (The Nazis, the Vatican, and the Zionists, Lenni Brenner).

Zionists Make Pact With Hitler; Sokolow Opens World Congress

Noted Linguist Sits As President

PRAGUE (Special) — Considered the greatest living Jewish linguist, Nahum Sokolow, 74-year-old veteran of the Zionist movement, this week presided over a fateful session of the World Zionist Congress here in the capitol of Czechoslovakia. At the outset of the Congress, he denied any hatred of Germany.

"We are friends of Germany and admire her culture," he said, "but when it is a question of our existence, we must lift our voice."

"Palestine must be made a land of fulfillment instead of a land of promise," he said.

Dr. Sokolow was destined to be a rabbi but abandoned a religious career after five years of study, to become a journalist. He attended the first Zionist Congress at Basle in 1897 and held virtually every office in the organization, reaching the presidency in 1931.

Chaim Nachman Bialik, celebrated Hebrew poet, who is now in Vienna, was not able to attend the Congress. He recently underwent a kidney operation and has not recuperated sufficiently to take part in the Congress.

For the first time, Germany, like Soviet Russia, was not represented at the World Zionist Congress. It was officially stated today that the German delegates would not participate in the Congress.

NEW YORK (WNS)—President Paul von Hindenburg of Germany today was called upon to exercise his prerogatives under the German constitution to dismiss Chancellor Hitler and save Germany's Jews

Plan Is Before Prague Parley

PRAGUE, Czechoslovakia — Dr. Arthur Ruppin, agricultural and colonization expert for the Jewish Agency for Palestine, will present to the eighteenth World Zionist Congress, now meeting here, an agreement approved by Germany providing that German Jews going to Palestine may take goods valued at 3,000,000 marks, (approximately $977,000), it was learned today.

It was revealed that the agreement further provides for the establishment of a trustee corporation for the liquidation of Jewish holdings in Germany. All transactions will be through the Anglo-Palestine Bank until a special mixed commission can be set up.

An unlimited period will be allowed to consummate the transactions and the German Government will renew the agreement when the three million marks sum is exhausted. The agreement provides that goods must be shipped only to Palestine and not to other countries.

The Zionist Hitlerite pact is expected to prove a highlight of the Congress sessions, which drew 332 of the world's leading Zionists into deliberations on Jewish problems. Another Congress highlight was the speech of Dr. Selig Brodetzky of Great Britain, who said the conven-

Zionist apartheid and genocidal violence

Modern Israel is not a democracy—it is a racial supremacist state built on apartheid and ongoing genocide:

- **The Nation-State Law (2018):** Declares Israel as the exclusive nation-state of the Jewish people, erasing the rights of Palestinian citizens.
- **Mass Expulsions (Nakba 1948, Ongoing Nakba):** Over 750,000 Palestinians were violently expelled in 1948, with millions more displaced since. Israeli officials openly call for a "second Nakba" (Bezalel Smotrich, 2023).
- **Gaza Genocide (2023-2024):** Israel's bombardment of Gaza has killed over 40,000 Palestinians, mostly women and children, with leaders like Netanyahu, Gallant, and Gvir openly calling for ethnic cleansing ("Human Animals," "Erase Gaza").

This is not self-defense—it is textbook fascism: dehumanization, mass expulsion, and systematic extermination.

Weaponizing "Jewish Identity" to silence dissent

- **Holocaust Instrumentalization:** Israel and its lobby groups equate criticism of Zionism with antisemitism, using the IHRA definition to censor universities, activists, and even Holocaust survivors who oppose apartheid.
- **Targeting Jewish Anti-Zionists:** Rabbis like Yisroel Dovid Weiss (Neturei Karta) and groups like Jewish Voice for Peace are smeared as "self-hating Jews" for opposing Zionism.
- **Weaponizing "Antisemitism":** Palestinians are the real Semites and they are being killed by Ashk-e Nazi white Mongolian/Russian/Turkic/European Zionists. If anyone is antisemitic, that's the Zionist fascists who hate Arabs and Semites of Palestine.
- **False "Antisemitism" Accusations:** When South Africa sued Israel for genocide at the ICJ, Israel's response was not to deny the charges—but to accuse critics of antisemitism.

Zionism is Fascism in disguise

Zionism was never about Jewish liberation—it is a racist, expansionist, fascist ideology that uses Jews as human shields for its colonial project. Just as South African apartheid fell, and just as Nazi Germany was defeated, Zionist apartheid will collapse.

The truth is clear and cannot be censored forever: Zionism's fascist roots cannot be whitewashed.

The question is: Will humanity stand on the right side of history?

Vladimir Jabotinsky

Vladimir Jabotinsky (1880–1940) was one of the most influential Zionist leaders, founding the Revisionist Zionism movement—the ideological precursor to today's Likud Party. While mainstream Zionism under Chaim Weizmann and David Ben-Gurion pursued a more pragmatic approach, Jabotinsky openly embraced militarism, racial nationalism, and fascist-style politics, even seeking alliances with Nazi Germany when it suited Zionist goals.

Jabotinsky's Fascist Ideology: The Iron Wall Doctrine Jabotinsky's most infamous contribution to Zionism was his "Iron Wall" doctrine, laid out in his 1923 essay. He argued that:

- Palestinians would never accept Jewish colonization voluntarily.
- Zionists must build an "iron wall of Jewish bayonets" to crush resistance.
- Negotiations were useless—only brute force would secure a Jewish state.

This philosophy mirrors fascist expansionism, rejecting compromise in favor of perpetual war. His followers, including future Israeli Prime Ministers Menachem Begin and Yitzhak Shamir, carried out massacres like Deir Yassin (1948) to terrorize Palestinians into fleeing.

Jabotinsky's Praise for Fascist Italy Before Hitler's rise, Jabotinsky admired Benito Mussolini, seeing fascism as a model for Zionist militarism:

- In 1934, he wrote that "Jewish youth should learn from the fascist youth's discipline and spirit of sacrifice."
- He praised Mussolini's corporate state as an ideal system for a future Jewish society.
- His paramilitary group, Betar, trained its members in fascist-style drills, salutes, and uniforms.

The 1935 Proposal: Jabotinsky's "Evacuation Plan" for Jews

In 1935, Jabotinsky proposed a mass evacuation of Eastern European Jews to Palestine, which he presented to "Poland's antisemitic government". His plan aligned with Nazi and Polish fascist desires to remove Jews from Europe—so long as they went to Palestine.

The Stern Gang's overtures to Nazi Germany (1940-1941)

After Jabotinsky's death, his ideological heirs—the Lehi (Stern Gang)—directly offered to ally with Nazi Germany. In January 1941, Lehi leader Avraham Stern sent a letter to the Third Reich proposing:

- A military alliance against Britain (then occupying Palestine).
- Lehi's help in establishing a Jewish state under Nazi influence.
- A "New Order" in Europe based on "common interests" between Zionism and Nazism.

This was not an isolated fringe act—it reflected Jabotinsky's pragmatic fascism.

Today, Jabotinsky is venerated by Israel's far-right:

- Benjamin Netanyahu has called him "one of the greatest leaders of the Jewish people."
- Bezalel Smotrich & Itamar Ben-Gvir (key figures in Israel's government) openly follow his expulsionist ideology.
- The Kahanist movement (outlawed as terrorist, but now in government) takes Jabotinsky's militarism to its genocidal conclusion.

Jabotinsky's ideology proves that Zionism was never purely about Jewish survival—it was about conquest. His willingness to work with other fascists and German Nazis exposes the Zionists' true nature: a colonial project based on supremacy and Palestinian/Arab/Muslim/non-white hatred.

As of today, Israel continues the "New Order" to establish Fascism worldwide. The end goal is to enslave the whole human race for the benefit of a small Mafia of Zionist cult who "print money", run illegal businesses, and buy everything we build. These days they are buying

society does not stand against these neo-fascists, with the help of AI and robots, the next generation will become their slaves. No matter if you live in Africa, Europe, or Asia.

Hitler died, but fascism didn't! Those haters rebranded themselves and now live under the mask of "Zionism". They still want to rule and enslave the whole world, and that has begun with "Project Israel".
