Iran, USA, and Israel: who do you think is the aggressor?

Who is the threat to the world?

Okay, who...

- Who illegally holds more than 90 Nuclear weapons? Israel
- Who has never signed the NPT agreement? Israel
- Why has the Dimona nuclear facility in Israel never gone under inspection?
- Who has attacked almost all its neighboring countries? Israel
- Who has dragged the US to wars, wars, and wars? Israel
- Who has surrounded Iran with tens of military bases? The US
- Who gave Afghanistan to Tal...? + with billions of dollars worth of military equipment? (under a ridiculous show) The US
- Who helped Saddam Hussein (Iraq) and MEK (Mojahedin Khalgh, Western-backed extremists) to attack Iran? US and Western allies, together with the USSR (which was one of the countries that founded Israel, by the way, together with the US and UK)
- Who gave Saddam Hussein chemical weapons to use against the Iranians (Kord, Lor, Fars, Gilak, Arab, etc.)? Germany
- Who later attacked Iraq with fake stories, killed millions of civilians there, and stole their gold and natural resources? The US
- Who gave Syria to Joulani? Who congratulated him first? Ask yourself why German and French officials were the first to go there and congratulate such a horrible t3rroris! Israel, together with Western allies

The list can go on and on, as I mentioned earlier in another article: Who is the aggressor? Iran, or the US and Izrael?

This is why Iran sees the US and Israel as a national threat. China also knows the real reason behind the hate-based Western colonial "Project Izrael" that is now dragging the whole West under. A country that was founded by Zio-Mafia together with the US, UK, and USSR. A project that is now the primary reason behind the US/Canada/Europe's downfall. That's why Brexit happened, because the UK wanted to limit the damage by isolating itself from Europe which still thinks and acts like the first two World Wars:

That's why Europe proudly supports the financial Mafia of Zionists and their Talmudic beliefs (which is different from Judaism as a belief). That's why German Foreign Minister Annalena Baerbock was among the first to meet Joulani (an 1$1S leader!!!) and congratulated him!

Enemy of the middle class

ZiØn1st-backed financial Mafia sees the middle class as its enemy. If you grow financially and unite against those criminals, you can potentially threaten their position. That's why, over the past five to six decades, the middle class has become poorer and poorer all around the world. That's why, even as an intelligent person with a good job, you cannot afford the kind of life that your parents had. No matter how smart you are, they push you to the lower class to become their slaves. **It is now the time to wake up and save the next generation of humanity, as later might be too late!**
